*“As a Vet student, I found my time at the JCU Veterinary Hospital incredibly delightful. I especially enjoyed the General Practice and surgery rotations where we shadowed*

"I'd heard great things about Agilent"

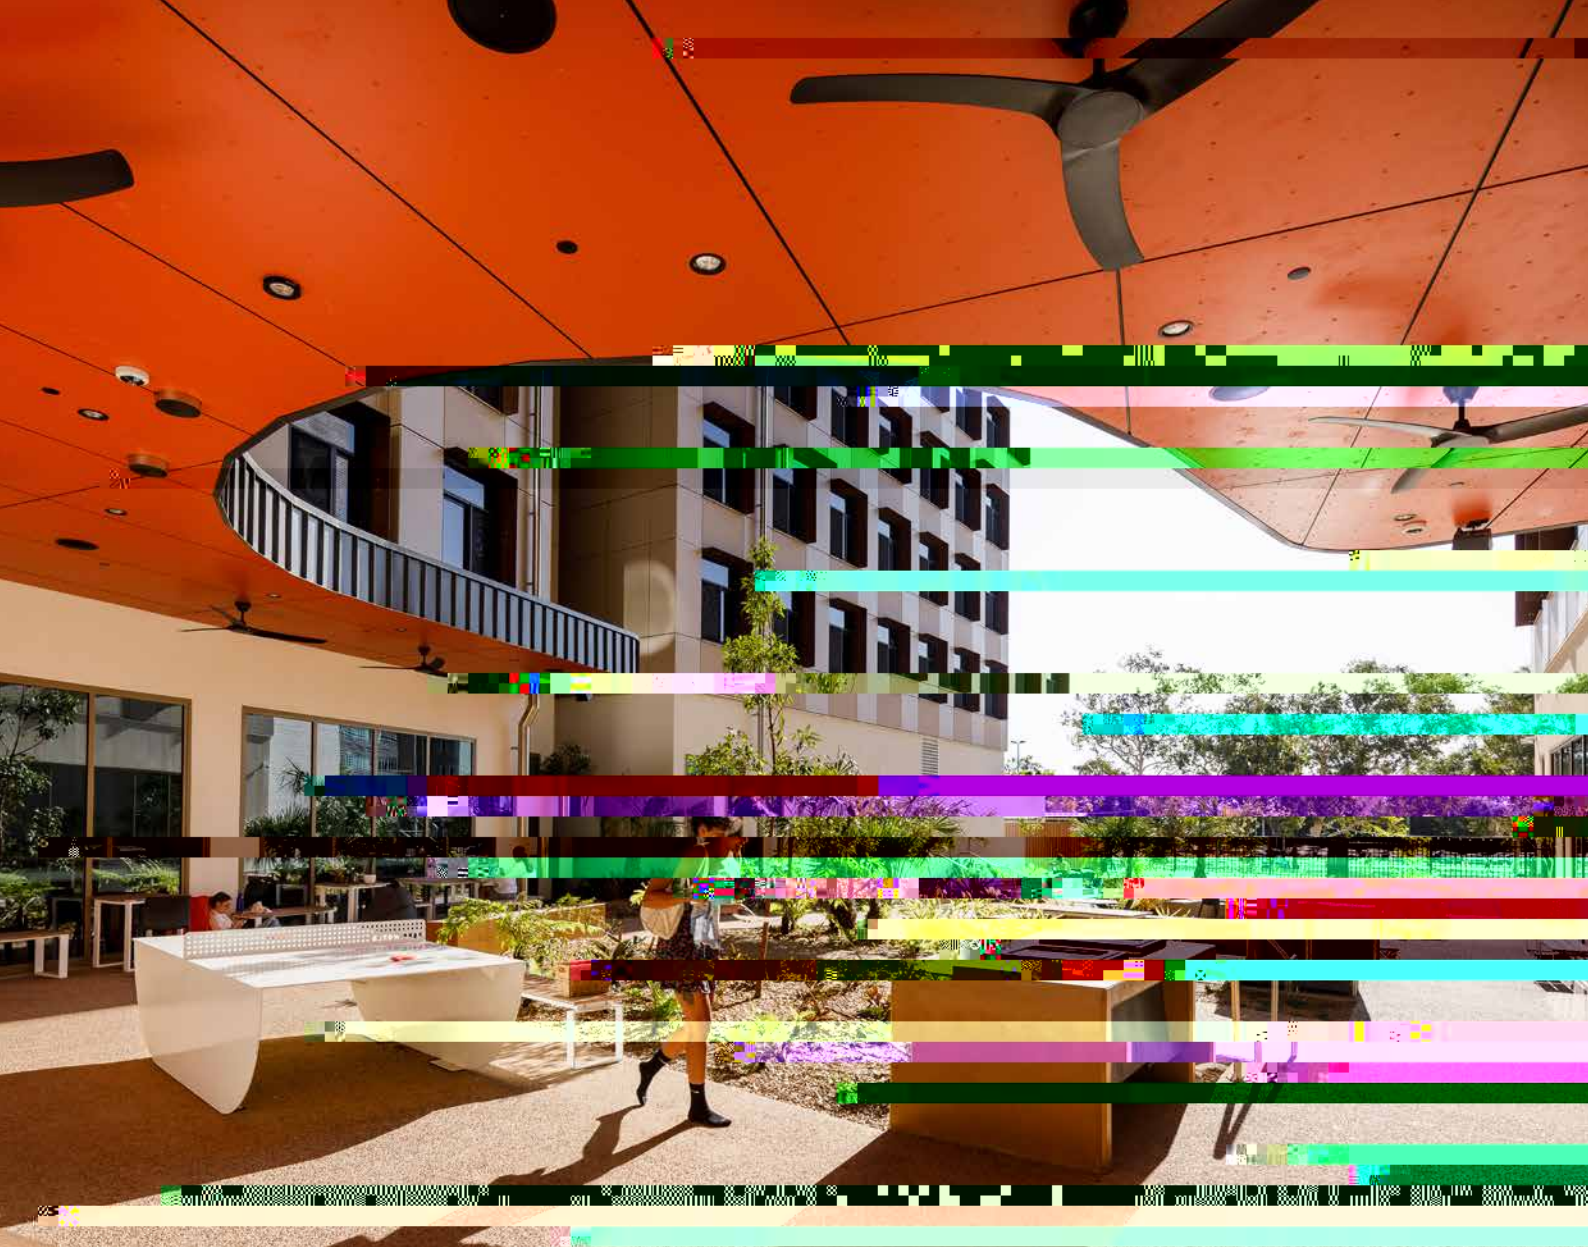

## Career Opportunities

Agilent is a leading provider of analytical solutions for pharmaceutical and biotech companies. Our products and services help our customers improve their product quality, reduce their time to market, and increase their productivity. We are currently looking for talented individuals to join our team and help us continue to grow and innovate.

- **Product Development** - Design and develop new analytical products and services.
- **Marketing** - Develop and execute marketing strategies to promote our products and services.
- **Sales** - Identify and develop new sales opportunities and manage existing accounts.
- **Customer Support** - Provide technical support and training to our customers.
- **Quality Assurance** - Ensure the quality and reliability of our products and services.
- **Operations** - Manage the production and distribution of our products and services.

Agilent offers a competitive salary and benefits package, including health, dental, and vision insurance, a 401(k) plan, and a flexible work schedule. We are an equal opportunity employer and encourage applications from all qualified individuals. For more information, please visit our website at [www.agilent.com](http://www.agilent.com).

# JCU Accommodation

The JCU Accommodation is a modern, multi-story building located on the JCU campus. It provides a range of accommodation options for students, including single rooms, double rooms, and shared rooms. The building features a curved orange ceiling, large windows, and a courtyard area with white furniture. The accommodation is designed to be a comfortable and convenient place for students to live during their studies at JCU.
