Conflict of Interest

External Interests. Does any investigator responsible for the design, conduct, or reporting of the project (including their immediate family members) have a financial, personal, or political interest that may conflict with their responsibility for protecting human participants in NEIU research?

Financial, personal, or political interests related to the research (the sponsor, product or service being tested, or a competing product or service) may include:

- compensation (e.g., salary, payment for services, consulting fees)
- intellectual property rights or equity interests
- board memberships or executive positions
- enrollment or recruitment bonus payments

Options: No - As PI, I attest that I have conferred with my co-investigators and key personnel and confirmed that no financial, personal or political interests currently exist related to this research.
