

Dear Parents,

The theme for the month of February is Transportation. We will discuss the different types of transportation people use, ask the children how they get to school, where they have gone on vacation and how they got there, along with lots of fun activities.

is the color for this month and Heart is the shape.

We would like to welcome William (aka Teddy) and his family to the Dolphin Room.

Lyrics for **Pink** song

Tune: "I'm A Little Teapot"

P-i-n-k

That spells pink.

Pink is the color of a lemonade drink.

Cotton candy and cute little pigs.

Pink is the color of a funny clown wig

P-i-n-k

Pink is fun!

Pink is the color of bubble gum.

Fancy flamingos at the zoo-----

Pink is the color of tulips, too!
