

H4 Provide the number of students in the 2018 undergraduate class who started at your institution as first-time students and received a bachelor's degree between July 1, 2017 and June 30, 2018. Exclude students who transferred into your institution

381

Number and percent of students in class (defined in H4 above) borrowing from federal, non-federal, and any loan sources, and the average (or mean) amount borrowed. **NOTE: The "Average per-undergraduate-borrower cumulative principal borrowed," is designed to provide better information about student borrowing from federal and nonfederal (institutional, state, commercial) sources. The numbers, percentages, and averages for each row should be based only on the loan source specified for the particular row. For example, the federal loans average (row b) should only be the cumulative average of federal loans and the private loans average (row e) should only be the cumulative average of private loans.**

H5	Source/Type of Loan	Number in the class (defined in H4 above) who borrowed from the types of loans specified in the first column	Percent of the class (defined above) who borrowed from the types of loans specified in the first column (nearest 1%)	Average per-undergraduate-borrower cumulative principal borrowed from the types of loans specified in the first column (nearest \$1)

H15 If your institution has recently implemented any major financial aid policy, program, or initiative to make your institution more affordable to incoming students such as replacing loans with grants, or waiving costs for families below a certain income level please provide details below:

Northeastern Illinois University's Default Aversion Policy stresses 'free money' options as a primary resource for meeting Cost of Attendance. Prior to accepting a loan offer borrowers meet with a financial aid advisor to discuss direct vs. indirect costs and identify need. NEIU is committed to being an affordable choice and graduating students with the least amount of loan indebtedness possible.
